

Dear Fleet Captain,

Looking for an exciting port of call for your club outing in 2009? Why not make Cedar Point Marina a destination for your group outing. Cedar Point Marina is just a short walk from 364 acres of fun. There's always something going on.

Enclosed, is a map showing where our transient dockage is located. Piers 21 – 24 consists of 65 docks that will accommodate boats up to 50 feet. Pier 11 consists of twenty 50 foot docks and two 100 foot docks on Pier 11.

Once we receive your completed application, we will send out a confirmation within two weeks. Once we receive your confirmation, your group members can start calling to confirm their spaces with the group. They will have up until two weeks prior to the outing to confirm their spaces. After this deadline, any unused docks will be released for individual reservations.

Should you have any questions, please feel free to call. Our direct toll-free number is 888 CP DOCKS (273-6257).

I look forward to hearing from you.

Sincerely,
